

Benita Page

TKF Program Director Benita Page has a Master's Degree in Education and over 30 years of professional experience in designing, implementing, and managing youth development programs. She is a knowledgeable writer and trainer well-experienced in restorative practice concepts. Over this past year she has developed the Restorative Practice curriculum for TKF and is invested in its success. Benita networks to establish district/school partnerships, oversees implementation, trains facilitators, develops curriculum, and works with the evaluation team. She is the primary contact for all programming.
